

The Bear Facts

**MAY 3,
2010**

Dear Family;

Thank you so much for your contribution to our classroom's basket for the Golf Tournament Auction. The tournament brought in approximately \$10,000.00 for the school.

With **only 25 days left**, we are moving into high speed to get ready for the year end program and graduation. I am looking forward to both of these events. Graduation is always a fun evening; family and friends are invited to attend.

I am excited about the Iowa Tests this week, and I always love finding out how well your child has done this year. This test is, of course, only one indicator of progress.
